

# maths of the day

Active Maths

## What is Maths of the Day?

Maths of the Day (MOTD) is an innovative and creative online resource providing lesson plans for 'Active Maths'. The aim is to help raise children's achievement and improve attitudes to maths through fun, exciting and engaging active sessions. Packed with over 1000 ready-made lesson plans, the programme is linked to the Maths Curriculum and dedicated to 'Active Learning'.

### ✓ Benefits

- Raises attitudes towards maths
- Raises attainment in maths
- Increases levels of physical activity
- Contributes to social and emotional development

Praised by Ofsted, Headteachers, Inspectors and Consultants, MOTD really is the 'must have' resource for primary schools across the country!
