

Sports Ambassador Spring 2019

Dear Sports Ambassadors,

Thank you for your enthusiasm and interest in becoming the Schools Sports Ambassador. We hope you enjoyed the Conference training and have had time to look at the pack.

These next few weeks is your chance to organise the Speed stacking Personal Challenge. This can be done as a Class challenge or as a playground activity. Ask the class teachers or PE subject leader for help in setting a time during the school day. Each class must have at least 3 attempts over the next term to make it a personal challenge. The aim is to beat their own score.

Then you can find the best speed stacker 3-3-3/3-6-3.

Your Mission: Challenge everyone at school to beat their personal score.

What is their best score?

Can they beat it, can anyone else beat it?

For Year 4,5,6 you can also do 3-6-3 or Full Stack challenge (this may be a different person as it is a lot harder to complete!)

Completed school records must be sent into sedwards@sele.herts.sch.uk by March 29th

Good Luck and ask if you can blog about the event on your school games website page. (Ask your PE subject Leader)

Sandy Edwards. HWSSP.
