The School Games Mark is a Government led awards scheme launched in 2012 to reward schools for their commitment to the development of competition across their school and into the community. Schools in England are able to assess themselves across bronze, silver and gold levels of the Mark. All schools in England who are registered on www.yourschoolgames.com can apply for a School Games Mark via their school dashboard. The Mark is an annual award and must be reapplied for each year

Why should our school apply?

- OfSTED use the Mark award as part of their inspection framework
- You can proudly display your certificate, pennant and plaque (Gold level only) at your school
- You can use it as a development tool to aid the PE teacher or Headteacher at your school
- You can add the logo to letterheads and email signatures to show your outstanding commitment to school sport
